MEEC Home

MEEC has been organized to provide its members opportunities to license the use of education hardware and software at competitive prices. MEEC also provides its members technology relevant services including training and interaction with the vendor. MEEC membership includes public and private K-16+ institutions, public libraries and museums in the state of Maryland.

# In Other Words

☐ MEEC is more than Master Agreements for Hardware, Software and Services. MEEC is also aware of the needs of the end users. Web seminars, in-person seminars and the MEEC Member Conference afford opportunities for members to routinely connect with MEEC vendors to learn more about and use products effectively.
