## Why choose The SMART Classroom?

# SMART Response lineup

A comprehensive line of interactive response systems for multiple learning styles and environments

Extraordinary made simple™

# SMART Response VE

## How does it work?

- The teacher starts the SMART Response assessment.
- Students go to [response.smarttech.com](http://response.smarttech.com) on their browsers, and enter the number displayed on the teacher's screen (612207 in the illustration).
- Questions are displayed on each student's screen and answered by typing on the device keyboard.
- The functionality of Response VE is the same as Response PE

Pull

Pull

## Any Device, Anywhere

- Use SMART Response VE with existing student computer or device hardware.
- Multiply student engagement by using their favourite device in a collaborative classroom setting
- Student devices can be located anywhere in the world. Ideal for remote education and automated homework assessments

## Deliver a Seamless Learning Experience

- Full integration with SMART Notebook software and your SMART Board interactive whiteboard.
- Embed questions directly in your SMART Notebook lesson file.
- Extremely easy set up and use: no student installation required.
- Enables teachers to seamlessly conduct formative and summative assessments to gauge student progress

## Deliver the Greatest Impact for your Budget Dollar

- No investment in additional infrastructure. Puts your existing hardware to use
- Future-proof. Never spend another dollar playing catch-up with assessment technology
- Pay-as-you-go
- Increase ROI

**FUTURE PROOF**
