# **Chrombebook x360 11GI EE**

# Chrome OS

**Designed for  
simplicity and  
manageability**

## **Simplified IT**

### **Easy to Manage**

IT administrators seek a simple, secure, and manageable solution. They appreciate automatic software updates and virus protection built in.

## **Enable Interactive Learning**

### **Sharing anytime, anywhere**

An ecosystem to enable real-time content creation, file sharing, feedback is key to the future of the classroom and workplace.

## **Get Things Done**

### **Empowered mobility**

Reliable performance with a thin and light design to empower students and employees to be mobile and productive.

# Product Line

**HP is an  
Innovator in  
Chromebook  
Ecosystem**

HP Chromebook 11 EE

Thinnest Rugged  
Chromebook on the Market  
"Concrete Rugged" Drop  
Resistant

[Click for product & order info.](#)

HP Chromebook 14

First 14" Chromebook

[Click for product & order info.](#)

HP Chromebook 13

Thinnest Chromebook  
Ever.  
First to Support Docking.

# Chromebook

- Cases continue to evolve
- Faster performance so students can keep 20+ tabs open in Chrome
- Google Play Store enables new ecosystems for curriculum and pedagogy
- Improved hardware (FHD cameras for recording video, pen to enable multimodal learning)

# Chromebook

Built for students with a thin and light convertible chassis that passes MIL STD tests including drop...

...designed for learning with available multimodal experiences like world-facing camera and Wacom® pen

# Built for Schools

**Designed to pass MIL-STD 810G testing and HP's uniquely high rugged standards**

Helps absorb shock from accidental drops and bumps

With co-molded rubber bumper protection around edges

Spill and pick resistant keyboard

Resists minor spills and prying fingers

Google Play Store ready  
Targeting May 2017

Protection from damage and breakage

Corning® Gorilla® Glass impact-resistant touchscreen

Available upgrades speed up classrooms

8GB RAM, 64GB storage, quad-core Celeron (N3450)

Easier for small hands to grip and handle

with intuitive textured surface in dirt/wear hiding colors

# Designed for Learning

## Capture and Share Experiences

**User-facing HD camera**  
for clear collaboration  
during instruction/team meetings.

**World-facing FHD camera**  
with mic enabling both view and sound  
capture in tablet or tent mode for  
project-based learning experiences  
(optional)

**Future proof school  
investments**  
2 USB-C™ ports<sup>1</sup> (Charging/ Data)  
means kids have more charging  
options, greater accessory  
compatibility with phones

**Thinnest rugged convertible**  
Less than 20mm thin and 1.4kg light

**IPS Gorilla® Glass Touch Screen**  
10-finger touch support for intuitive  
interaction on screen means better  
Android app experiences, and IPS panel  
for content sharing in class with wider  
viewing angles

**Flexible & Adaptable**  
Rugged 360° hinge tested  
to 25k cycles transforms  
from laptop to tablet,  
enabling students to  
choose how they learn

**Authentic Pen Experience**  
Optional active Digitizer and HP EMR Active Pen<sup>11\*</sup>  
means pencil-like and no replacing batteries

# Available Unique Dual Camera System that Adapts

**First camera:** Faces the user and enables video interaction with others

**Second Camera:** In tablet mode, faces the world and enables capturing and sharing experiences

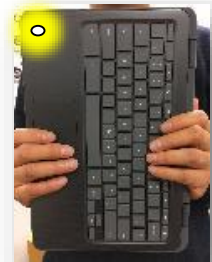

**Integrated microphone on both cameras**  
for better recording experience

## Why it is important to have second camera location on palm rest

- Based on HP's human factors data
- Not on top cover to protect teacher privacy
- Not on the middle of keyboard deck or near hinge because of how students hold the system to use LCD as viewfinder and capture image
- Designed on left of the palm rest to simulate tablet or phone location.

# Chromebook EMR Active Pen

Specifically designed to deliver a natural writing experience for smaller hands

## Eraser

Natural and intuitive – just like a real pencil

## Pen Tip

Textured to simulate the feel of writing on paper with pen

**130mm** – proper length for students to handle

**9.5mm** – perfect circumference for students to grip

## Rubber textured grip

Easy to hold without slipping

## Pen Clip

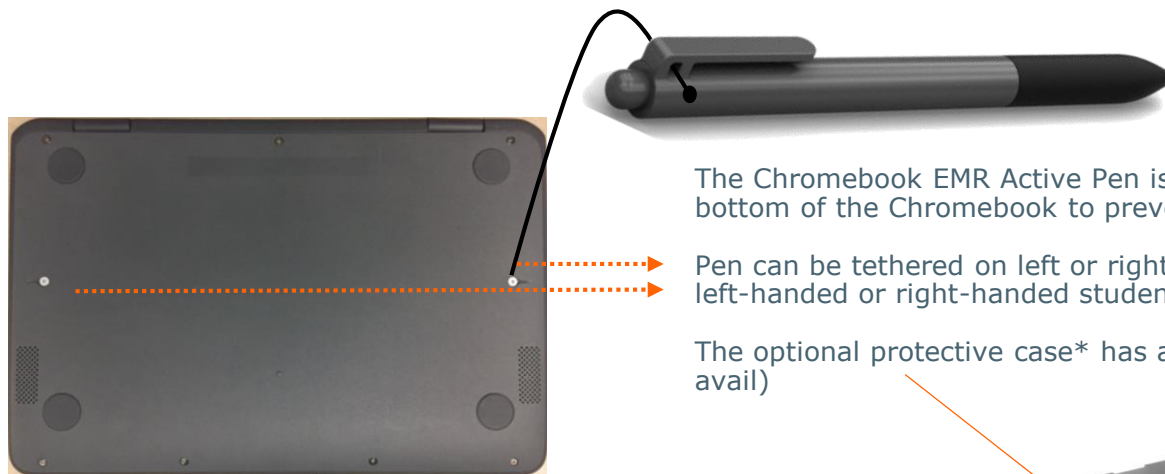

Easy for students to carry and keep track of pen. Clips to a notepad or pocket or attaches to tether to prevent misplacement

## No Battery Required

Prevents service calls and downtime related to dead batteries and no need to keep replacement batteries in stock

# Chromebook EMR Active Pen

**Designed to keep the pen attached to the Chromebook**

The Chromebook EMR Active Pen is designed by HP to tether to the bottom of the Chromebook to prevent pen loss

Pen can be tethered on left or right side of the device to accommodate left-handed or right-handed students

The optional protective case\* has an integrated pen holder (May 2017 avail)

# Pricing and Availability

## Chromebook x360 11 G1 Education Edition

Starts Shipping: mid May in stock by: end of May  
2<sup>nd</sup> Camera and Pen Options Shipping: early June

### Smartbuy

- Intel N3350 CPU
- 4GB RAM/32GB storage
